Hiccup's POV

>Hiccup woke up to the sound of pounding on his roof. He quickly got out of bed knowing he would never fall back asleep.<p>

"Well hello there Mr bossy" he said to Toothless his dragon. "Why do we always have to get up so early? Were the only ones awake Toothless." he complained. Toothless just roared in his face. He just laughed. "Come on bud i have something for you." Hiccup took out the fake tail and put it on toothless. "Let's go bud." he said as he climbed on toothless saddle and they flew to the dragon training academy.

Toothless POV He loved the feel of the fresh air on his scales! As he landed he realized the other riders were there with their dragons. "Hey little bro." said Hookfang giving him a nuzzle. "hey what was that for" he said "Bet you can't catch me" said Hookfang. "Watch me" toothless replied as he chased Hookfang around the ring.

Riders POV "Toothless stop chasing Hookfang." said Hiccup "I still can't believe that toothless is a baby." said Astrid "I know" said Fishlegs "who would have guessed" "uhh... guys" said Tuffnut "I can't wait to watch toothless grow up. How big do you think he'll get?" asked Fishlegs "GUYS" Tuffnut finally yelled getting frustrated that they weren't listening to him. "What." said Hiccup frowning. "Look" he said pointing to something in the shadows. Slowly. A figure emerged from the shadows. It was a dragon something about this dragon was strange. It was a blend of pink, blue, and purple. Hiccup had never seen a dragon like this. It was about the size of Hookfang but lighter. Then the dragon did something that shocked the young vikings. "Who are you." said the dragon. All of the vikings' mouths dropped. Since when do dragons talk? This was all new the dragon was talking. "Where's the

nightfury"hisssed the dragon. "What spices of dragon are you?"asked fishlegs "Harmonic, im caled that because i have a special song, would you like to here it?" asked the dragon in a sickenly sweet voice. "Sure" said fishlegs."Let me get my book of dragons first" he said running off. when fish legs returened he started looking through the book. The harmonic dragon imeditly started singing the sweetest song you evere hered. All of a sudden fish legs screamed " STOP SINGING!" but it was to late the dragon kept op her song.

Everyones POV

Sudently toothless started wailing "Whats going on" said hiccup hurreying over to his dragon stopped toothless sat up still like a statue and started snakeing across the ring. "Remember when I said to stop singing? Well the song is deadly to nightfurys!" fishlegs said "NOOO!" yelled hiccup as he ran across the ring lungeing and covering toothless ears imeditly the dragon stoped her song and toothless shock his head violently "Idiots, now I have to do this the hard way.'" hissed the dragon "Don't you know who I am littlr night fury"toothless shook his head no "Shame I gess I should tell you my story.
